## The making of our Nation

This year 2022 marks 100 years since the foundation of the state. This is a major landmark in the history of our country. We are one of a small number of communities that will mark this significant centenary. We are marking it not by commemorating our nations painful birth but by recalling the ten decades of its growth and

evolution to the country it is today. You have a unique opportunity to participate in this commemoration. The Veteran Players are currently compiling a history of this community as it reflects the historical events that marked the first hundred years of Ireland as an independent nation. We are grateful to those who have come forward with their stories so far. If you have a story of your own or one passed down in your family that reflects the events of any of decades of the last 100 years. We would like to hear from you. If you have photographs or other memorabilia pertinent to the nation's history, we would like to hear from you. You can explore your story with us by contacting any member of the Committee or Tom @ 0879110555, Mgt 0878380018 or email [maggie1980@live.ie](mailto:maggie1980@live.ie). **Don't wait for the next centenary.**
