Heatwave

With the current heatwave set to continue over the weekend.

Here are:

Tips for coping in hot weather

- Shut windows and pull down the shades when it is hotter outside.
- Avoid the heat: stay out of the sun and don't go out between 11am and 3pm (the hottest part of the day).
- Drink cold drinks regularly, such as water and diluted fruit juice. Avoid excess alcohol, caffeine (tea, coffee and cola) or drinks high in sugar.
- Identify the coolest room in the house so you know where to go to keep cool.
- Wear loose, cool clothing, and a hat and sunglasses if you go outdoors.

Monday 15 August to Sunday 21 August Met Eireann forecast:

After a prolonged period of high pressure dominating our weather, low pressure is set to take hold in this week, bringing changeable conditions to the country. Temperatures will stay marginally above average, warmest in the southeast. Precipitation is expected to be quite varied with wetter than average conditions in the east and drier than average conditions in the west.
