**Interesting Facts:** Did you know that if you are a taxpayer you can recover 20% of the cost of your medical expenses, which include G.P. visits, costs of medication and any hospital or consultant costs. You can go back four years to claim this or indeed any any other tax refund.

**St Patrick's Day**, in Ireland is traditionally perceived as the middle of spring, it is traditionally believed that the weather improves. An old Irish saying attributed to Saint Patrick claims that the weather would be fine for half of his own feast day and for every day after. As if to prove the point the winter of 1947 popularly known as "the Big Snow" or "White 47" for the icy and blizzardous conditions that continued from late January till March, when the snow finally ceased on Saint Patrick's Day.
